The Academy of Construction Technologies builds your future workforce!

Since 1992 the Academy of Construction Technologies (The ACT program) has successfully impacted over 6500 high school students in Lake, Orange, Osceola and Seminole county. For 28 years the ACT program has placed pre-trained ready-to-work students with industry members. Our mission statement reflects the core philosophy of the program:

"To create an atmosphere that will inspire ACT students as we educate, train and prepare them for a successful career in construction"

Your membership, corporate sponsorship or personal donation will continue a tradition of excellence in education and on-the-job training opportunities for ACT students. Join our mission and complete the 2021 membership form TODAY and invest in our industry's future!
